Easter is a Christian festival

Easter focuses on new beginnings, and is symbolised by Easter eggs, and the Easter bunny! Most of these are made out of chocolate! The custom of giving eggs celebrates new life.

There are lots of traditions at Easter involving eggs: egg rolling where eggs are rolled down a hill and egg hunts where small eggs are hidden for children to find. Special food is eaten on Easter Sunday like hard boiled eggs, roast lamb, Easter biscuits and Simnel or Easter cake.
